 Every pet dog, cat (even indoor pets) & ferret 3 months of age or older is required to be vaccinated.

 Dogs & cats receiving their first rabies vaccination must receive a rabies vaccination booster within 1 year. The booster will protect them for 3 years.

 Bring your pet's rabies vaccination certificate if you need a 3 year booster!

 Ferrets must be vaccinated each year.

 All pets must be controlled by an adult and must be on a leash or in a carrier!

Call ahead to pre-register!
